

**correct.**

**OPEN GYM**

Upholding Corrects identity as a premier appointment based service, we've added the open gym to our small group program, to try and further maximize the potential and value our clients can receive. Our open gym training sessions are exclusively available to all active members as another opportunity for you to remain focused and on track with your goals.

Under the supervision of one of our staff members for any guidance or questions you might have, we require clients to book ahead of schedule into open gym time slots to keep our gym floor at a capable capacity.

**UNLIMITED GROUPS**

Choose from multiple different group classes every week

**\$70** p/w
